Students may enter only through the student gates: Gate 7 (located on the northeast corner) and Gate 12 (located on the southeast corner). To enter the stadium, students must have both their OU Sooner ID and their game ticket. Only students and ticket holders with a spouse or dependant child ticket may enter two (2) hours prior to kickoff. Student *guests* will not be allowed to enter the stadium until general public access begins (1½ hours prior to kickoff). All student seats are located in general admission sections.

Students may obtain a game ticket from another OU student for themselves or a guest. If the guest is not a student at the University of Oklahoma, the guest must purchase an upgrade sticker at the Student Upgrade window located at Gate 7 on the day of the game. The Student Upgrade windows will be open 3 hours prior to the game and will remain open until halftime. The price of the upgrade sticker will be the public price of a ticket minus the student ticket price. See above for exact upgrade prices.
