- All the Latest News and Information regarding top prospects, programs, and recruiting updates
- NUC Exclusive Editorials & Player Features, profiling stories of amazing athletes on and off the field
- NUC Event Media Coverage, providing exclusive access to high school events and happenings all across the country
- In Depth Interviews of Players, Coaches and Athletes from College and the Pros, as they share intimate insight and wisdom about the game
- Critical Recruiting Advice, providing important and timely information and feedback so you no longer feel overwhelmed or lost in the recruiting process
- An Extensive Video Vault, action is worth a thousand words and NUC exclusive and extensive video vault will transform your highlight reel, taking it to another level; your game will never look the same again.
- Recruits Player Database, get your name on the map, allowing prospective college coaches and recruiting organizations to know who and how good you really are.

#### **The NUC Community for the Athlete**

"Ability may get you to the top, but it takes character to keep you there." – Hall of Fame Coach John Wooden

The NUC Community is designed to help you maintain and perfect your mental focus both on and off the field. With exclusive reports and feedbacks from top football players, coaches and those close to the game, you will have a clear roadmap on how to positively and effectively navigate the roads to your dreams.

#### **The NUC Community for the Parent**

*"Coming together, sharing together, working together, succeeding together."*

Get exclusive information, advice, feedbacks and access into the lives of some of your favorite football stars as their families share wisdom on raising a top athlete. Get never before shared information on how they survived the Pop Warner years, high school football years, the recruiting process and the college pressures and expectations. Their stories will inspire, inform and enlighten you as you walk the road they've traveled.
