**ORDER OF SPARTA**

The San José State University Athletics tradition began in 1890 when the first team, baseball, took the field. Since that time, many hundreds of student-athletes and coaches have proudly worn the Spartan uniform. A select few have earned the right to be

recognized as members of the Hall of Fame.

In 1999 the **Order of Sparta** was created as the association of former athletes and coaches. Membership is open to everyone who has coached or been a member of any team that has been sponsored by the athletic department. This organization represents all intercollegiate sports---past, present and future---and serves as the central authority for the San José State University Sports Hall of Fame. Its volunteer Board of Directors, comprised of former SJSU student-athletes and coaches established the process through which candidates are nominated, screened and inducted into the Hall of Fame.

Membership dues are \$50 annually (July 1<sup>st</sup> through June 30<sup>th</sup>). This investment is used solely for the promotion and operation of The Order of Sparta.

There are many former student athletes, coaches, and athletic support personnel who would qualify for membership, and we continually strive to improve our database. Your assistance in helping us to expand our database is welcomed.

§ The satisfaction of enhancing the athletic and total university experience of every SJSU student-athlete while promoting the continued growth and success of Spartan Athletics.

**Sports Hall of Fame**

The Order of Sparta assumes sole responsibility for the San José State University Sports Hall of Fame,

including the sponsorship of the annual banquet and creating the procedures and criteria for induction into the Hall of Fame. The Order represents all sports within the Division of Intercollegiate Athletics.

Order of Sparta members are invited to make nominations for any individual or team for consideration as an inductee into the Hall of Fame.

**SJSU Sports Hall of Fame History**

Over the years, the various sports within the San José State University Division of Intercollegiate Athletics have inducted members of its teams into the Hall of Fame. Inductions took place on a regular basis through the mid-1960s, but only sporadically thereafter. Selections were generally made immediately following completion of an athlete's eligibility by team coaches and, in some cases, athletic department leadership. Some sports conducted formal ceremonies while others chose different forms of recognition.

Because the process was done on an individual sport basis rather than a department-wide format, the criteria for induction, for the most part, were determined by the leadership involved in that particular sport or sports and not by an organized group that represented the entire athletic department. Induction was based solely on a team or individual's achievement while a current student-athlete. A Women's Hall of Fame, which has now been incorporated into the SJSU Sports Hall of Fame, was created in 1980. The only sport that still conducts hall of fame inductions is baseball. However, this recognition is for the sport only, not department-wide recognition.

A special Hall of Fame Subcommittee was created in the fall of 1998 to accomplish the following:

§ conduct appropriate research

§ establish induction criteria and guidelines

§ create a central file for all Hall of Fame material, both past and present

§ recommend to the Order of Sparta Board of Directors those individuals or groups that merit induction consideration

The Board is responsible to elect all future members of the SJSU Sports Hall of Fame, in accordance with the bylaws of the Order of Sparta.

The Hall of Fame Committee meets annually to conduct the selection process. The chosen honorees are then formally recognized at the San José State University Sports Hall of Fame Induction Ceremony.

The minimum criteria for student-athlete selection include:

§ one varsity letter,

§ significant athletic achievement while competing at SJSU and/or significant and pertinent achievements following a SJSU career, and

§ passage of a minimum of five years following completion of eligibility at SJSU.

**SPONSORSHIPS**

The Athletic department is pursuing sponsorships for Hall of Fame induction ceremonies. Sponsor options begin at \$2500; and a title sponsorship is \$12,500. In return, a sponsor(s) receives special recognition and selected benefits at the event and during the year. Individuals or organizations interested in assisting or learning more about sponsorship opportunities are asked to contact Sheri Bragg, Executive Director for The Order of Sparta at 408.924.1692 or email to [sbragg@email.sjsu.edu](mailto:sbragg@email.sjsu.edu)
