Centenary College is located two miles from downtown Shreveport, the third largest city in the state of Louisiana. Shreveport is located on the west bank of the Red River in Northwest Louisiana. Over 300,000 people reside in the metropolitan Shreveport area. Shreveport is considered the geographical, cultural, and economic center of the region known as the Ark-La-Tex, encompassing East Texas, Northern Louisiana, and Southern Arkansas. Shreveport is only a few hours away by car from other major cities such as Dallas and Houston in Texas, Baton Rouge and New Orleans in Louisiana, Jackson, Mississippi, and Little Rock, Arkansas.

Shreveport is separated from Bossier City by the Red River, but many locals consider themselves residents of the Shreveport-Bossier region as a whole instead of one of the specific cities. People who live here think nothing of crossing the river to take in an event, no matter which city is the official host.

There seems to always be a festival going on that shines a spotlight on some aspect of life in Shreveport-Bossier that is unique. In May, the Mudbug Madness Festival celebrates the abundance of crawfish found in the area, while African-American culture is celebrated in June with the Good Times Roll Festival, featuring music, art and food.

One of the major highlights of the year in Shreveport is the State Fair of Louisiana, held every October. The fair features more than 70 rides and one of the finest livestock gatherings in the United States.

Another major event that showcases Shreveport on a national level is the Independence Bowl, held in late December. The annual football game, featuring a team from the Big 12 Conference against one from the Southeastern Conference, is carried on national television and showcases the Shreveport-Bossier community coming together to make the event a success.

That is not the only athletic competition held in the area. The CenturyTel Center, a 12,000-seat arena opened in 2000, is the home of minor league hockey and arena football, as well as basketball games and wrestling events. National fishing tournaments and golf tournaments have also been brought to Shreveport-Bossier in recent years.

The area features a wide range of museums, from autos and aviation to science and Elvis Presley. Many of the buildings in downtown Shreveport are now listed on the National Register of Historic Places, and a trip to the piney woods of Northwest Louisiana will yield visits to rural towns such as Vivian, Plain Dealing and Shongaloo, each one with its own collection of treasures, history, and fine dining.

There are plenty of outdoor activities in the Shreveport-Bossier area. From hiking at the Cypress Black Bayou Recreational Area to golfing at Olde Oaks Golf Club, a Hal Sutton signature course and part of the Audubon Golf Trail, there is something for everyone.

Thanks to the Shreveport-Bossier Tourist Bureau for the information and picture found on this page.
Now in its 26th year as an NCAA Division I athletics conference, The Summit League is in its first year under that name. In May 2007, the Presidents Council embraced the Summit Plan, a strategic plan that places a renewed emphasis on improving the academic and athletic performances of all its student-athletes. Included in the plan was the creation of a new image of the conference and the unveiling of a new name. The Summit League is the third name the conference has held as an NCAA sanctioned league. The Summit League’s current member schools are Centenary College of Louisiana, IPFW (Indiana University-Purdue University-Fort Wayne, IUPUI (Indiana University-Purdue University Indianapolis), UMKC (University of Missouri-Kansas City), North Dakota State University, Oakland University, Oral Roberts University, South Dakota State University, Southern Utah University, and Western Illinois University. The member schools pride themselves on providing quality athletic, academic and social experiences for their student-athletes.

The Summit League sponsors 19 championships across all sports, including men’s and women’s basketball, men’s and women’s soccer, softball, men’s and women’s swimming & diving, men’s and women’s indoor track & field, men’s and women’s outdoor track & field, men’s and women’s tennis, and volleyball. A review of The Summit League’s highlights over the past 25 years:

1982-83
The Association of Mid-Continent Universities is founded with “Frosty” Ferzaccia as its first commissioner. The initial AMCU line-up includes Cleveland State, Eastern Illinois, Illinois-Chicago, Northern Iowa, SW Missouri State, Valparaiso, Western Illinois and Wisconsin-Green Bay.

1983-84
UW-Green Bay and Eastern Illinois each play in the NCAA Men’s Soccer Tournament, making them the league’s first NCAA Tournament teams in any sport.

1985-86
Cleveland State earns the AMCU’s first national recognition in the NCAA Men’s Basketball Tournament. The 14th-seeded Vikings upset No. 3 seed Indiana on their way to a “Sweet 16” appearance. In addition, SW Missouri State begins a string of five consecutive postseason appearances by reaching the quarterfinals of the NCAA Men’s Basketball Tournament.

1987-88
The AMCU sends two teams to men’s basketball postseason play for the third straight season. Ferzaccia steps down as commissioner and is replaced by Jerry Ippoliti. Eastern Illinois’ Jim Maton is the league’s first NCAA National Champion, as he wins the 800 meter run at the NCAA Indoor Track Championship.

1989-90
The AMCU sends a conference-record three teams to postseason play in men’s basketball, including Northern Iowa, which upsets former No. 1 Missouri in the first round of the NCAA Tournament. The AMCU changes its name to the now familiar Mid-Continent Conference.

1990-91
For the second straight season, the Mid-Con sends two teams - in this case, Northern Illinois and UW-Green Bay - to the NCAA Men’s Basketball Tournament.

1991-92
The league announces that it will begin sponsoring women’s athletics - strengthened by the membership of seven former North Star Conference members - the following year with the debut of six championship sports. UW-Green Bay’s Tony Bennett establishes the league’s all-time scoring record in men’s basketball and wins his second straight Mid-Con Scholar-Athlete of the Year Award.

1992-93
UW-Milwaukee wins the first Mid-Con-sponsored women’s championship when it takes home the cross country crown. Northern Illinois makes the first NCAA appearance by a Mid-Con women’s team in the NCAA Women’s Basketball Tournament. Wright State’s Brian Anderson is the third overall pick in the Major League Baseball draft after repeating as the league’s Pitcher of the Year.

1993-94
Northern Illinois’ volleyball squad posts the league’s first women’s NCAA Tournament win with a three-game victory over Illinois State. UW-Green Bay upsets California in the first round of the NCAA Men’s Basketball Tournament. Six schools depart the Mid-Con at the conclusion of the season.

1994-95
The league’s revamped line-up includes Buffalo, Central Connecticut State, Chicago State, UMKC, Northeastern Illinois and Troy State. Jon Steinbrecher begins a league-record nine-year tenure at the Mid-Con helm when he replaces Ippoliti as commissioner. Valparaiso begins a string of five straight regular-season titles and six consecutive Mid-Con Tournament titles in men’s basketball.

1995-96
Charter member Eastern Illinois departs the Mid-Con, but not until after winning its ninth men’s outdoor track and field title, a record for all Mid-Con sports that still stands.

1996-97
Buffalo (cross country) and Valparaiso (volleyball) earn the first-ever “three-peats” in Mid-Con women’s athletics.

1997-98
Oral Roberts and Southern Utah join the Mid-Con. Oral Roberts begins a string of six straight Mid-Con volleyball titles, and wins its first-round match in the NCAA Tournament by edging Arizona in five games. The Mid-Con becomes one of few NCAA Division I conferences across the nation to simultaneously run its basketball championships at the same neutral site. Valparaiso reaches the NCAA “Sweet 16”, thanks to the efforts of NBA draftee Bryce Drew, who hits “The Shot” which eventually earns him an ESPY from ESPN. Youngstown State earns the first Mid-Con women’s tourney win, topping fifth-seeded Memphis in the first round.

1998-99
IUPUI and Oakland begin competition in the Mid-Con. Western Illinois wins its eighth men’s swimming and diving title. Associate member DePaul reaches the NCAA Softball College World Series, posting a third-place finish, and sets a Mid-Con single-season record with 54 wins.

1999-00
Southern Utah is the first Mid-Con school to win an NCAA Cross Country regional with a victory in the Mountain Region. The Thunderbirds went on to finish 21st in the NCAA Men’s Cross Country Championship. Western Illinois softball reels off a 25-game win streak behind Mid-Con Pitcher of the Year Holly Killion, who sets Mid-Con records with 30 wins and 355 strikeouts.

2000-01
Oakland women’s soccer player Anita Rapp - a two-time Mid-Con Player of the Year (1999, 2001) and a WUSA draftee - earns a Gold Medal at the Olympics.
Western Illinois Director of Athletics Dr. Helen Smiley.

2001-02

Southern Utah sweeps the Mid-Con cross country championships for the fourth straight year, while UMKC captures the conference’s first-ever NCAA Men’s Soccer Cup win, a 2-1 overtime triumph over former league member UW-Milwaukee. Oral Roberts’ Krista Ragan sets the Mid-Con women’s basketball career scoring record (2,105), and becomes the first player in league history to earn four first-team all-conference citations in the sport. Valparaiso posts the biggest turnaround in NCAA women’s basketball (from 7-22 in 2000-01 to 26-7 in 2001-02) on its way to reaching the quarterfinals of the WNIT. UMKC’s Matt Voelker earns outdoor track and field All-America honors in the high jump.

2002-03

The Mid-Con sets a league record by sending four teams combined - IUPUI (NCAA) and Valparaiso (NIT) on the men’s side and Valparaiso (NCAA) and Western Illinois (WNIT) on the women’s side - to basketball postseason play. Oral Roberts’ Marsha Dawkins earns All-America honors in the 400 meter dash at both the NCAA Indoor and Outdoor Track and Field Championships. IUPUI women’s basketball player Tiffany Kyser is Indiana’s recipient of the NCAA “Woman of the Year” award (she is also a finalist for the national award). Steinbrecher resigns as commissioner and is replaced by Ron Bertovich.

2003-04

Centenary begins Mid-Con play, lifting the league’s membership to nine. The Mid-Con sends two teams (UMKC, Oakland) to the NCAA Men’s Soccer College Cup for the second time in league history, and Oakland’s swimming & diving programs set league records for consecutive titles when they sweep the Mid-Con Championships for the fifth straight time. UMKC’s Michael Watson finishes his career as the league’s all-time leading scorer (2,488) in men’s hoops, while Oral Roberts’ Caleb Green and Ken Tutt are the nation’s highest scoring freshman duo. Oral Roberts sets a league record with 50 wins and finishes the season ranked in all four of college baseball’s polls. Southern Utah becomes the first Mid-Con school to sweep the men’s and women’s cross country and indoor and outdoor track & field crowns in the same year. Oral Roberts’ Prince Mumba (800 meter) and Western Illinois’ Aubrey Martin (shot put) earn All-America honors at the NCAA Outdoor Track and Field Championship; Mumba runs for his native Zambia in the 2004 Athens Olympics, while Valparaiso’s Joaquim Gomes plays for the Angolan Olympic basketball team. The Mid-Con Men’s All Sports Award is renamed for retiring Valparaiso Director of Athletics Dr. William Steinbrecher.

2004-05

Oral Roberts’ Faithy Kamangila finished 11th at the NCAA Cross Country Championships to become the first woman in school history to garner All-American honors. Oakland claims the Mid-Con men’s basketball Championship on a last-second three-pointer by Pierre Dukes to win the title as the seventh seed. In its first-ever NCAA Tournament appearance, the Golden Grizzlies notched a win over Alabama A&M in the opening round before falling to eventual National Champion North Carolina in the first round. For the second consecutive season, Oral Roberts’ baseball team collected a pair of victories in the NCAA tourney. The Golden Eagles had five players selected in the Major League Baseball Draft, while Oakland’s Paul Phillips was the top Mid-Con player chosen in the ninth round. Western Illinois softball coach Kathy Veroni retires after 34 seasons at the helm, while ORU’s Mable Kunihihara garnered All-American honors at the Outdoor Track & Field Championships with a fifth place finish in the 800-meter run.

2005-06

Eastern Illinois and South Dakota State are added as associate members in the sports of men’s and women’s swimming and diving. The Oral Roberts baseball team becomes the first Mid-Con team to advance to the NCAA Baseball Super Regionals with wins over Oklahoma State and Arkansas. Western Illinois’ Zane Tielane becomes the first Mid-Con women’s basketball player to be drafted when she is the 35th overall pick in the WNBA Draft by the Detroit Shock. Oakland’s Chris Sullivan earns All-America honors in the 100 butterfly and 100 freestyle with Top 8 performances at the 2006 NCAA Swimming and Diving Championships. Western Illinois’ Aubrey Martin (shot put) and Oral Roberts’ Prince Mumba (800-meters) garner All-America honors twice with Top 8 finishes at the NCAA Indoor Track and Field Championships and NCAA Outdoor Track and Field Championships. WIU’s Jennifer Gilson takes home All-America accolades at the 2006 NCAA Indoor Track and Field Championships, while ORU’s Diana Chelimo also earns All-America honors at the 2006 NCAA Outdoor Track and Field Championships. Ron Bertovich resigns as commissioner and is replaced by Tom Double. Chicago State leaves the Mid-Con men’s basketball player to be named conference player of the year three times. Green and teammate Ken Tutt become just the seventh set of teammates in NCAA Division I history to reach the 2,000-point plateau. Oral Roberts’ Elisha Turek becomes the first player in league history to record more than 2,000 points and 1,000 rebounds. The Mid-Con has six Indoor Track & Field All-Americans as Oral Roberts’ Jonathan Rivers, Ernest Stranz, Kevin Cave, and Andretti Bain claim the honors in the 4x400 relay, while Bain (400 meter run), ORU’s Shaun Smith (800 meter run) and Valparaiso’s Laura Rolf (mile run) take home individual awards. Oral Roberts wins its 10th-consecutive baseball and women’s golf championships, both records for all sports. On June 1, 2007, the conference officially changes its name to The Summit League. One month later on July 1, 2007, IPFW, North Dakota State and South Dakota State join The Summit League. Charter member Valparaiso leaves the conference.
Centenary College of Louisiana has fielded an athletic team in at least one sport since 1894, when the football team faced Louisiana State University. Centenary’s football squad was one of the best in the South in the first half of the 20th century, the high point being an undefeated 10-0 season in 1927.

Centenary produced professionals Conway Baker, Buddy Parker, and Cal Hubbard. Hubbard is a member of three halls of fame: Pro Football Hall of Fame, College Football Hall of Fame, and Baseball Hall of Fame. However, the poor oil economy in the area forced the discontinuation of the football program in 1947.

The 1920s saw the establishment of the men’s basketball and baseball teams at Centenary. The basketball Gents have had 44 seasons with a .500 or better winning percentage, including the 2003-2004 campaign.

From 1972 to 1976, Robert Parish dominated Centenary’s opponents, leading the Gents to an 87-21 record over that span. Parish still holds numerous Centenary records, including the single game scoring record (50 points vs. Lamar in 1972), the single season rebounding record (18.7 rpg in 1972-73), and the career record for most field goals made (1,034). Parish was drafted in the first round by the Golden State Warriors in 1976 and later, as part of arguably the greatest frontcourt in NBA history, won three NBA championships with the Boston Celtics in the 1980s. In April 2003 Parish was chosen to be inducted in the National Basketball Hall of Fame.

With a new 1,000-seat stadium, the baseball team is attracting top players to play for Centenary and top teams to play against the Gents. Thirty-two players who put on the Centenary uniform have gone on to play professionally. In recent years, the Gents have hosted Nebraska, Texas A&M, LSU and Arkansas.

In 1980 the Golf Magazine College Player of the Year did not come from a traditional power. Hal Sutton, a native of Shreveport who stayed home to attend Centenary, won that honor as well as the 1980 U.S. Amateur. Sutton has gone on to win two Players Championships, a PGA Championship, and a Tour Championship, as well as earn a spot on four U.S. Ryder Cup teams. In 2004, Sutton served as the Ryder Cup captain for the United States squad.

Recently Centenary athletes have found their names at or near the top of the NCAA rankings. In 2000, women’s soccer player Lara Brown led all Division I players in points per game and goals per game. Ronnie McCollum followed suit during the 2000-2001 basketball season, leading the nation in scoring. Andrew Wisniewski picked up where McCollum left off, finishing in the top 20 in scoring and steals during the 2002-2003 season.

With the addition of men’s and women’s swimming in 2002-2003, Centenary now sponsors 16 intercollegiate sports, as many as any other Division I program in Northern Louisiana. Recent athletics highlights include the gymnastics team winning the 2004 USAG National Championship and the softball Ladies earning a trip to the NCAA Tournament in both the 2004 and 2005 seasons. In addition, the women’s soccer team has qualified for The Summit League Tournament several times since the Ladies and Gents joined the conference in 2003. Three times a Centenary student-athlete has been named The Summit League Scholar Athlete of the Year with tennis player Anja Schmidt earning the honor in 2003-04 and 2004-05, while baseball’s Brandon Fulenchek earned the distinction in 2006-07.
For most teams, success on the field is the result of hard work and preparation. At Centenary, the formula is no different as not only do we receive great efforts from our athletes, but from coaches, administration, and alumni as well. As a result, both the Gents and Ladies soccer programs enjoy fine facilities in which to train and compete.

Mayo Field has served as the home site for all Centenary soccer contests since the inception of the men’s program in 1979. Originally referred to as the Centenary Soccer Complex, the field was renamed in 2001 in honor of Lewis Mayo. Mayo, the father of former Gents player and current coach Eric Mayo, lost his life heroically fighting a fire while serving the Houston, Texas, area as a member of the fire department. His family graciously donated the funds that allowed Centenary to erect a quality lighting system. The first-ever night soccer game at Centenary was played on August 31, 2001, against Georgia Southern University. A memorial to Lewis Mayo stands at the entryway to the field named in his honor.

Various other upgrades and additions have been made to Mayo Field over the past several years. New stands for seating were installed in 2000 that now allows for a crowd of 500 to comfortably cheer on the Ladies and Gents. A physical plant building was transformed in 2000 to house a new locker room and three offices for the soccer coaches and staff.

In 2001, a new building for concessions and restrooms was added next to the playing field to provide a better overall experience for all fans that visit Mayo Field.

2002 brought on several upgrades to the field itself. The chain link fencing that surrounded the field was torn down and new black iron fencing was installed to enhance the overall look. The playing surface was improved with the addition of an underground drainage system that will allow the field to remain playable in adverse weather conditions. Most recently, netting was hung behind both goals to limit the amount of balls that leave the playing area.

With contributions from generous alumni and friends of the college, the Centenary soccer program will look to continue to make a trip to Mayo Field an enjoyable experience for all of those involved.

The Sports Fitness Center is also a crucial component to the success of the Ladies and Gents programs. The $10 million facility, remodeled and expanded, reopened in 2000 with state of the art weight and exercise machines. Players can workout in the facility both on their own and as a team. Other features of the Fitness Center include: hot tubs and saunas, dressing rooms, a pool, classrooms, dance studios, and courts for basketball and racquetball.

In the fall of 2002, the Wilhite Media Room was completed in the Gold Dome. The room features stadium seating, a projector, and sophisticated computer software that allows teams to edit game footage in order to better scout and review opponents. The Wilhite Media Room is most commonly used as a meeting room for teams and staff as well as a working room for the media during events held in the Gold Dome. All press conferences are also held in the room.
Centenary College of Louisiana is a selective liberal arts college offering undergraduate programs in the arts, humanities, natural sciences, and social sciences, as well as a limited number of graduate programs. Students and faculty work together to sustain a community focused on ethical and intellectual development, respect and concern for human and spiritual values, and the joy of creativity and discovery. Consistent with its affiliation with the United Methodist Church, the College encourages a lifelong dedication not only to learning but also to serving others.

In pursuit of these ideals, the College challenges its students to write and speak clearly; to read, listen, and think critically; to comprehend, interpret, and synthesize ideas; to analyze information qualitatively and quantitatively; to appreciate the diversity of human cultures; to respect the value of artistic expression; to realize the importance of a healthy mind and body; and to recognize the interdependence of people and the environment.

Academic Program

Centenary College of Louisiana offers three undergraduate degree programs: the Bachelor of Arts, the Bachelor of Science and the Bachelor of Music.

The Centenary curriculum aims to produce graduates of extraordinary intellectual and vocational versatility who are prepared to assume responsible positions in their communities and professions. The College prepares its students in critical thinking and in the fundamental communication skills of writing, speaking and numeracy.

The core curriculum begins with the First-Year Experience, which initiates an emphasis on critical thinking and rhetorical skills in an interdisciplinary context. The balance of the core curriculum further develops these skills while it introduces students to basic areas and fundamental techniques of human inquiry. Specific core requirements are the First-Year Experience and selected courses offering inquiry in the humanities, mathematics, natural sciences, and social sciences. Additionally, all undergraduates participate in the Centenary Plan, which involves a service-learning project, career exploration, and an intercultural experience.

Academic Facilities

Centenary has a personal computer for one of every three undergraduates. Every residence hall room is wired for free, direct Internet and computer connections. Some 30 computer laboratories are spread throughout campus, as are numerous multimedia editing and projection facilities. The Magale Library, the academic heart of the campus, has a wealth of volumes, searchable databases, personal computers, multimedia accessories, and software programs. Specially equipped buildings and facilities include the Marjorie Lyons Playhouse, the Gold Dome, the Fitness Center and Swimming Pool, Mickle Hall of Science, Hurley Music Building, Jackson Hall, Turner Art Center, and the Meadows Museum of Art.

Faculty

More than 90 percent of Centenary’s faculty holds the highest degree in their discipline. There are 74 full-time and 41 part-time faculty members, with a student-faculty ratio of 12 to 1. There are no graduate students teaching classes at Centenary. The primary emphasis is on teaching, although research and service activities are also important components of the Centenary experience. These activities involve undergraduates to an extent unavailable at large institutions.

Summary

Academic and co-curricular programs support students in their development and encourage them to become leaders in the work place, the community, the nation, and the world at large.
DR. KENNETH L. SCHWAB
President

Dr. Kenneth L. Schwab, President of Centenary College since 1991, has been firmly established as an excellent educator and administrator over nearly 30 years of service. During his career, Dr. Schwab has consistently applauded student athletes who pursue academics and sports with equal fervor, discipline, and high standards, and it is these characteristics that make Centenary Gents and Ladies stand out among their peers.

A tenured professor in the Department of Education, Dr. Schwab hails originally from Indiana where he received his bachelor’s degree from Purdue University in 1969. He then earned his master’s in guidance and counseling from the University of North Carolina-Greensboro in 1972 and his doctorate in higher education administration at Indiana University in 1978.

Though Dr. Schwab has held many administrative positions at Centenary and other institutions, he continues to pursue his own scholarship as well, publishing a book, numerous articles, and several institutional planning documents regarding presidential leadership and transformational change. Indeed, Dr. Schwab’s keen interest in leadership and strategic planning helped Centenary’s latest comprehensive campaign raise over $100 million for the college. This amount exceeded the initial goal by over $30 million, enabling Centenary to build two new music facilities as well as renovate residence halls and the fitness center.

These improvements do not merely benefit the campus, though. From the arboretum to the chapel, the playhouse to the library, recital halls to the Gold Dome, Centenary encourages student involvement, preparing scholars for active civic participation. This small liberal arts institution focuses on the student and endeavors to facilitate academic, athletic, and social development for the whole person. Our faculty and staff are committed to these goals, particularly for student athletes.

Dr. Schwab has actively involved himself with Centenary students throughout his tenure here. He team-taught Centenary’s First-Year Experience program with the college’s Chair of Liberal Arts one semester, and he travels with various Centenary groups like the college choir, always remaining a great Gents and Ladies supporter. In fact, he and the Centenary Gent mascot led the campus as they unveiled the new fitness center.

Active on-campus and off, Dr. Schwab participated in the Salzburg Seminar sponsored by the W.K. Kellogg Foundation, served as a European Community Visitor to the Commission of European Communities, and continued his scholarly work at Oxford, Johns Hopkins, and Harvard Universities. He also represents Centenary on a number of community and academic boards, including the Associated Colleges of the South Board of Directors.

Dr. Schwab’s wife, Pat, earned her doctorate in education and now teaches a course each semester at Centenary. Their three sons (Kempten, Carlton, and Christopher) played select soccer throughout their school years.

Centenary President Dr. Kenneth Schwab cheers along with the students in the stands at the Gold Dome.
Dr. Tom Tallach, a Centenary alum and former Gents baseball player, enters his first year as Director of Athletics at Centenary after being named to the position on July 3, 2007. Tallach follows Taylor Moore, who stepped down to pursue private business interests after serving as head of the athletics department for three years, and Interim Director Glenn Evans.

A 1993 Magna Cum Laude graduate of Centenary, Tallach returns to his alma mater with over nine years of athletics administrative experience. Most recently, he served as Assistant Athletics Director and Compliance Officer at Tarleton State, a NCAA Division II institution in Stephenville, Texas, from 2005 through 2007.

Prior to Tarleton State, Tallach gained valuable experience at Texas A&M-Commerce (Commerce, Texas) over his 11 years of service at the school. At Commerce, he was the Assistant Athletics Director for the Lions athletics programs from 1998 to 2004 and spent his final 18 months as Interim Director of Athletics from February 2004 through August of 2005.

Tallach took an active role in administrative leadership at both of his previous stops. He was a member of the Division II South Central Regional Softball and Women’s Basketball Tournament Committees in addition to serving on the West Regional Women’s Soccer Tournament Committee. He was director of the Men’s Basketball South Central Regional Tournament and chaired the Lone Star Conference Compliance Coordinators and the SACS Sub-Committee for Intercollegiate Athletics at Texas A&M-Commerce.

Tallach has a unique blend of knowledge that is perfect for the athletics director’s seat. Not only does he have the work history in athletics administration, but he can also draw from his experiences as a coach, player, and a member of the faculty.

While at Commerce, Tallach was a teaching assistant in the Department of Health and Exercise Science from 1993 to 1996. He also was an assistant basketball coach at Commerce and Ouachita Baptist for a total of five years. His collegiate baseball career spawned back-to-back Trans America Athletic Conference (TAAC) Western Division Championships in 1992 and 1993 for Centenary, and he was named TAAC Academic All-Conference.

Evidence of Tallach’s early leadership at Centenary can be seen on campus today, as he led the effort to conceptualize the Centenary Wellness Center in his role as President of the Centenary Student-Athlete Advisory Committee in his senior year.

After earning his Bachelor of Science in health and exercise science from Centenary in 1993, Tallach went on to acquire a Master of Science degree in health and physical education from Texas A&M-Commerce in 1994. He then earned his Doctor of Education in 1997, also from Texas A&M-Commerce.

Alan Edwards begins his 13th year as head athletic trainer for the Centenary athletic program. Edwards is a 1991 graduate of McNeese State University with a bachelor of science in health and physical education. He earned his master’s degree in exercise science at Northeast Louisiana University in 1993. Edwards’ services are provided through a partnership between Centenary College and Christus Schumpert Health System.

Dustin Bradstreet enters his fifth year as an athletic trainer at Centenary having moved to Shreveport from Wichita, Kansas. Bradstreet is a 2001 graduate of Fort Hays State University where he received a bachelor of science degree in physical education with a focus in athletic training. He continued his education at Fort Hays and graduated in 2003 with a masters degree in Health and Human Performance with emphases in exercise science and sports administration. He is certified with the National Athletic Trainer’s Association Board of Certification and has been in good standing since 2001.

Edwards and Bradstreet also supervise student and volunteer assistants as they gain valuable experience in their pursuit of becoming Certified Athletic Trainers. Student and volunteer assistants obtain practical experience at home and on the road, working with the Gents and Ladies athletic teams.

The Centenary College sports medicine facility is located on the bottom floor of the Gold Dome, where continued improvements have resulted in an enhanced facility.

The improvements include an upgraded computer system with injury tracking software, the addition of two stationary bicycles, and an increased storage capacity for the daily supplies used in treatments of student-athletes.

The training room is equipped with modalities to assist athletic trainers in the treatment of injuries of Centenary athletes. The room also contains training tables, an ice machine, and a whirlpool.

Athletic Trainer Dustin Bradstreet tapes the ankle of former Ladies soccer standout Mindi Levinski before a 2004 practice. Bradstreet, along with Head Athletic Trainer Alan Edwards, works with Centenary’s athletes before, during, and after all Ladies and Gents athletic events.
David Pratt
Asst. AD/Sports Information Director

David Pratt is now in his eighth year as a member of the Centenary sports information department. After serving two years as an assistant, he was promoted to Director of Sports Information in 2001 and to Assistant Athletic Director in 2003. He is the primary media contact for men’s basketball, men’s and women’s cross country, gymnastics, softball, men’s and women’s tennis, and volleyball. Pratt oversees all athletic department media relations, publications, statistics, archives, and game management efforts.

Pratt is a 1999 graduate of Centenary, earning his bachelor of arts degree in history. He was the 1999 Defensive Player of the Year as a shortstop on the Gents baseball team and was also a member of the history honor fraternity Phi Alpha Theta. Pratt is presently a member of the Louisiana Sports Writers Association (LSWA) and the College Sports Information Directors of America (CoSIDA).

Pratt has continued his association with baseball by serving as an instructor at the Centenary Summer Baseball Camps in recent years. He was also a board member of the Shreveport-Bossier Men’s Senior Baseball League.

Pratt and his wife, Keeley, have a daughter named Addison Lynn. Keeley also works at Centenary in the financial aid office and serves as the Leading Ladies danceline sponsor.

Tony Black
Assistant Sports Information Director

Tony Black begins his first year with the Centenary College sports information department, serving as Assistant Sports Information Director.

Black’s primary responsibilities include serving as contact for men’s and women’s soccer, women’s basketball, men’s and women’s swimming, men’s and women’s golf and baseball. He will also assist in game day management for all home Centenary athletic events.

Prior to Centenary, Black served as a graduate assistant in the media relations office at Northwest Missouri State for the 2005-06 season and was named Media Relations Assistant at West Texas A&M for the 2006-07 campaign.

A native of South Bend, Ind., Black graduated from the University of Southern Indiana in 2004 with a degree in Radio/Television. At USI, Black served as Sports Director for the campus radio station, where he did play-by-play and daily news as well as sports updates. He was Sports Editor for the campus newspaper, and also assisted in the sports information office at USI.

In his free time, Black enjoys following the Chicago Cubs and Notre Dame football.
Chase Wooten enters his fourth season as the head coach for the Ladies. A 1998 graduate of Centenary, Wooten took his alma mater to the Mid-Continent Conference Tournament twice in his first two seasons.

This season Wooten will have a veteran squad on his hands, as he welcomes back nine starters and 15 letterwinners. The Ladies in 2007 will have their leading scorer back in sophomore Stefani Robbs and three seniors returning for their final season, Cori Dullnig, Bre Fletcher and Ali Hilsher.

In the fall of 2006, the Ladies soccer team was bitten by the injury bug, and the team stumbled to a 4-11-1 mark. Centenary did have a bright spot in the season as Robbs was named to the Mid-Con’s All-Newcomer team and led the squad with five goals. She was also named Mid-Con Offensive Player of the Week on Aug. 28 after scoring an overtime goal in the season opening win over Sam Houston State.

After taking the Ladies to the Mid-Con Tournament, the team fell to a 6-11-1 mark in 2005. Despite the down season, Bre Fletcher was named conference Offensive Player of the Week after knocking in the game winning goal at home against Texas State, while Ali Hilsher earned Defensive Player of the Week twice after shutting out Arkansas-Little Rock on the road and IUPUI.

In 2004, the team’s 14-5-1 record was the fourth best in program history and the strongest ever for a first year head coach with the Ladies program. Wooten guided the Ladies to an undefeated record against Louisiana schools and a second place finish in the Mid-Con regular season.

Four of Wooten’s players earned First Team All-Conference Honors, including the Newcomer of the Year, while he had two Ladies named LSWA All-Louisiana. Under his tutelage, former keeper Lindsey Stafford set back-to-back records for saves in a season at Centenary.

Prior to returning to Centenary, Wooten served as an assistant coach at the University of Alabama. In 2001, he helped the Crimson Tide accomplish the sixth biggest turnaround in the country. Their winning streak continued through his tenure at Alabama.

Before his stint with Alabama, Wooten served as the head coach at Caddo Magnet High School in Shreveport, where he earned Boys High School District Coach of the Year in both 1999 and 2001 while also earning the honor on the girls’ side in 2001. He

He married the former Amber Baggett in May of 2002.

Wooten attended Lindsay Wilson College before joining the Gents in 1995. As a player at Centenary, he tended goal from 1995 to 1997 and currently owns the third lowest career goals against average in school history at 1.51.

GLENN EVANS
Assistant Coach

Coach Glenn Evans, the pioneer of Centenary’s soccer program, stepped down 11 years ago as head coach of the Gents and Ladies soccer programs. He then focused his attention on serving as the assistant to then-coach Jed Jones for the Ladies soccer team, and now works with Wooten. He posted a 161-105-3 (.604) record in 14 seasons as the head coach of the Gents soccer program and a 66-25-3 (.725) record in five seasons as the Ladies head coach.

Evans guided the Gents program from its inception through 1978, before returning at the start of the 1983 campaign. During his tenure, the Gents posted nine consecutive winning seasons (1983-91), including three straight Trans America Athletic Conference Championships. For his and the team’s efforts, he was named TAAC Coach of the Year in 1983, 1988, 1989, and 1990 as well as receiving that honor for his direction of the Ladies program in 1994.

The Herkimer, New York, native earned a B.S. in Health & Physical Education from Centenary in 1969. He received a master’s degree in education from the University of Georgia in 1970. Evans recently retired as the Superintendent of Athletics for Shreveport Parks and Recreation and is entering his second year as Centenary’s Director of Academic Support. Evans also served as Interim A.D. from Oct. 2006 through July 2007. He and his wife, Karen, have four sons: Chad, Scott, Trey, and Brian.

ASHLEY CALDAROLA
Student Assistant Coach

After spending the last two seasons on the field as a student-athlete, Ashley Caldarola will make the transition to coaching this year.

She redshirted as a freshman in 2005, and in 2006 played in 15 matches. The San Antonio, Texas, native scored one goal and gave an assist. Her lone goal in 2006 was the match winner against Arkansas on Sept. 17.

Caldarola played last season with a heart condition, and the medical staff at Centenary decided to end her soccer career. She has since taken over the head coaching duties at North Caddo High School, while also assisting with the Ladies program.

Caldarola plans on graduating from Centenary in 2008 with a degree in business, with an emphasis in finance. She also plans on continuing her coaching career on the prep level.

Caldarola is single and resides in Shreveport.
