Statements after the game by coaches

By Georgia Tech Coach Bobby Dodd

"It was a great football game, as great as it was built up to be. I thought that we played well but Louisiana State just played better.

"I was proud of the fine comeback we made when we were trailing 7-0. Of course the things that hurt us most were the two well executed kickoff return plays by L.S.U. Aside from those it was a well played football ~~xxx~~ game between two evenly matched teams."

By Louisiana State Coach Charles McClendon

"Without a doubt this was one of our greatest team efforts-- probably the greatest ever.

"It was hot out there, but everyone ~~xxxxxxxx~~ had a great desire to get the job done. Our boys were disappointed about last week and wanted to make up for it, but they didn't let last week's game bother them. They forgot it real quick.

"We beat a great football team today. Georgia Tech has nothing to be ashamed of. They scared us right down to the very end."

By Halfback Jerry Stovall:

I'm sure glad we could win this one for Coach ~~ac~~. We've won two games ~~and~~ have given him the game ball both times. Tech was a real big team and a real good one, but we never let down. We kept after them all the way. The Good Lord was with us."
