QUOTES FROM LSU'S JERRY STOVALL

"We were rolling people out trying to play as many ~~3~~ young people as we can. The first order of business Jesse Myles did not play because of private ~~2~~ an personal matter with the team and the univesity. That matter has ben resolved and he will be with us for the 10 remaining games this season. We have played a good football team, the same ~~10~~ tyep of Alabama teams of the past...we played pretty intesne, but we found out we are as ~~10~~ young as we are. We are going to ~~10~~ get better, ~~10~~ A loss is never a good thing for you, ~~10~~ but we feel like by the end of the first month we will be a good football team. We are going to have a good offense, but at this time our defense is ahead of our offense. We had a heckuva time, putting six or seven plays back ~~into~~ ~~into~~ ~~into~~ back to back. In comparsion to last years game, wee played better, we are a better football team than we were last year. THE FUMPLE ON THE GOAL LLINE...We had the ball Ramsey Dardar said he had it, but the officials said to let go and when he did, they (the officials) toof the ~~10~~ ball and gave alabama possession. Put the official said let it go and when he did, ~~10~~ he game Alabama possession. We learned not to let the ~~10~~ ball of in that situation. Timmy Byrd Gregg Duhroc , Jeffrey Dale and Jance Smith all freshmen, played well. We were trying to get ~~10~~ Timmy some experience. We made a lotof mistakes adn need to correct them."

QUOTESM FROM ALABAMA'S BEAR BRYANT

"They (Alabama) played better in the first half than I thought they would play or were capable of playeng."

"I think LSU dominated the second half. I told them I think I worked them (the Alabama players) too hard."

"Their (LSUs) quarterback (Alan Risher) is ~~10~~ clever; verry, very clever and he knows how to work the ball.

Content with lead at halftime? "During the week I warned our players that over th years Alabama's great team s have gotten off to great leads then lulled around. That's what we did tonight in the second half."

How important was this win?

"If we had lost that ~~10~~ game we would have had to fight for our lives to stay in the conference."

"I was surprised at the way the game went. I'm surprised they didn;t score more in the second half. Fverytime they ran that misdirection play they got lots of yardage."
