COACH JOHNNY MAJORS' COMMENTS:

"I have never been prouder of a team effort in my entire coaching career. I have never been on the sidelines and from my point of view felt any better about team in my coaching career. The squad has a lot of character, and they have fought hard to become a better team.

"We have continued to fight and show good leadership. We got after them well tonight, and we kept them out of the end zone. We played against a team that comes after you very aggressively. There are some fine football teams in our league, and our team has a fighting spirit which I think is ~~important~~ an important ~~includings~~ part of football. I like this.

"Our offense had a fine performance in putting in that first touchdown and then taking the ball and keeping it for the last seven minutes and 51 seconds. That takes an awful lot of pressure off a coach.

"Our kicking game was another big factor."

COACH JERRY STOVALL'S COMMENTS:

"Tennessee won the war tonight, They played a fine game, came after us and took advantage of the breaks to pick up an important win."

"The game was decided up front on both sides of the ball. They beat us on both of those sides and they were more physical,"

"We were not as aggressive as Tennessee and I think it was evident. They hit us in the mouth and knocked us to our knees."

"They man-handled us much more than Florida. Florida did not dominate us that way. Our offensive team did not produce this wee, the second straight week we've failed to produce."

"Cockrell had a fine game and did a good job of directing their offense"

"Reggie White had a good game, but so did everyone on their defense. They simply did a number on us,"
