2017 PAC PRIORITY POINTS

Priority points are awarded based on total giving to athletics, consecutive years of giving to athletics, season ticket purchases and other bonus points. A donor's priority point total determines his/her priority rank.

This priority points system is utilized to most equitably determine priority allocation for amenities such as game day parking location, home, away and post-season tickets and premium seating. In order to utilize your PAC priority points and rank, you must be a Panther Athletic Club member for the current calendar year (Jan. 1 – Dec. 31).
