

INTRAMURAL TEAM NAMES

The guidelines for choosing intramural team names or jerseys for their team:

"When choosing a team name/photo/uniforms and logos, please ensure it is in good taste and is not offensive to individuals or groups on the basis of race, ethnicity, religion, disability, age, gender, sexual orientation, or culture. We ask that all team names/photos not contain profanity, racial slurs, sexual innuendo, references to drugs or alcohol, or other words that may be offensive or otherwise degrading in nature."

The Intramural Department, Convenors, Coordinator, and Customer Services Specialists, have the right to have you change your team name if we do not feel it is appropriate
