**July 2, 2018**

**A record 268 student athletes named NTCA All-Academic**

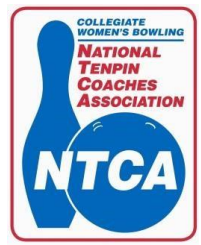

Brooklyn, NY. --- Each season the National Tenpin Coaches Association recognizes student athletes who have excelled in the classroom. To be recognized, a student athlete must have a cumulative GPA of 3.4 or higher for the academic school year. This year there are 268 honorees, representing NCAA bowling programs at 55 schools. This is a record for both individuals and schools since the inception of the award in 2006.
