Comments/Helpful Information:

Waiver: I understand that Princeton University takes no responsibility for verifying my physical readiness for the use of Princeton University facilities or participating in instructional classes. I take full responsibility for my health and fitness. I agree to check with my physician and discuss my proposed participation in any exercise programs if I have any questions regarding my physical ability to participate. Whether or not I see my physician, and in consideration of my utilization of Princeton University athletic facilities, I hereby release the Trustees of Princeton University, its trustees, officers, agents, employees and students from any and all claims which I may have as a result of personal injury or property damage arising out of or connected in any way with any such activities, unless those claims arise as a direct result of the gross negligence or willful misconduct of Princeton University. Furthermore, I acknowledge that registration for swim classes does not grant me access to any area of Dillon Gym other than the pool and locker room. Swim class participants/parents are to report directly to the locker room and then pool area upon entering the building, and must leave the building directly from the pool area/locker room. Anyone found utilizing another area of the building (i.e. Stephens Fitness Center, basketball courts, etc.) without a valid gym membership or guest pass will be removed from the building and their swim program without refund. I hereby grant the aquatics staff permission to videotape, photograph or otherwise record my child/ward and to use such recordings and biographical data in any media on a perpetual basis. By signing this form I also understand I am liable for the amount indicated above and under no circumstances will a refund be given. No-shows or cancellations received less than 24 hours before a scheduled appointment will be charged to the participant.
